GET THE LOOK

What’s your Style?

When building, renovating or designing your home or accommodation interior, the overall intent is to create a unique experience. Whether it be your residential dwelling or accommodation, the space should evoke a feeling of comfort; an oasis that you can retreat to.

Neutral Luxe

Forecasted to be popular in 2021 with carefully curated high end quality pieces and materials; the effortless sophistication of neutral luxe is perfect for any interior. The neutral colour palette paired with luxurious materials such as marble, sculptural ornaments and plush furniture strikes a balance of refined and homely warmth.

Earthly Organic

Sustainable, organic elements that connect the indoor space with the outdoor will remain a key trend in 2021. Designers focus on sustainable design, with prominence to ethically made items and refurbished pieces. Forecasted trends include: natural fabrics, renewable resources, indoor plants, raw materials and subtle colours that evoke emotion. Colour palettes feature: Warm beiges, lush greens, warm yellow to compliment.

Modern Industrial

Old world charm meets industrial chic, this is a style that incorporates the old with the new. Inspired by raw vintage pieces, industrial open planned spaces, and modern clean lines. Merging turn-of-the-century elements with urban living. With a key focus on architectural materials such as exposed brick, high beamed ceilings, steel/metal, and concrete.
LEGEND

Select the right furniture for your door.

Entrance
External entry doors you would like to lock: Front Doors, Back Doors and Garage Doors.

Privacy Set
Interior doors you would like to lock: Bathroom, Study / Office and Bedrooms.

Passage Set
Interior doors you do not want to lock: Laundry, Living Room and Bedrooms.

Dummy Lever
To use on doors that are non operational: Closets and Wardrobes.

HIRE A LOCKIE
Professional installation required. Visit our website to find a Locksmith near you!
For over 75 years, our guiding principle is and will always be: To take the worry out of protecting what is valuable to you.

Lockwood: no worries®
NERO® COLLECTION
ENTRANCE

143 Entrance Handle
Features
- Constructed of 304 grade stainless steel
- Suitable for use in both internal and external environments
- Disabled Accessible: AS1428.1 Compliant
- Supplied with spigots to suit 10-12mm thick glass doors as well as aluminium and timber doors up to 50mm thick

Paradigm® 005 Double Cylinder Deadbolt
Features
- Simple to install, retrofits existing deadbolt door preparations
- SafetyRelease™ automatically unlocks internal turn knob upon key entry from outside
- LockAlert® indicator shows lock status at a glance. The lockset can operate in three modes: Secure Mode, Safety Mode and Passage Mode
- DualSelect® function - turn the key for safety mode, turn the key further to select secure mode
- Conforms to the security and durability requirements of Australian Standard AS4145.2-2008 | SL8D8C6K5

Nexion® Mechanical Entrance Lockset
Features
- SafetyRelease™ automatically unlocks the inside handle upon entry to minimise the risk of being locked in
- LockAlert® indicator shows lock status at a glance
- Three modes of security: Secure, Safety and Passage mode provides excellent security without compromising convenience
- Designed to be keyed to builder’s key systems as well as keyed alike to other Lockwood door locks
- Conforms to Australian Standard AS4145.2-2008 S,7D8C5X6
**Velocity® Series Leversets**

**Features**

- Velocity Large Rose Series is suitable for retrofit and common residential door preparations. The roses fit 50mm or 54mm diameter holes.

- Velocity Small Rose Series is successfully tested up to 2 hours on fire door assemblies with the Australian Standard AS1905.1 2005 - Part 1: Fire Resistant Doorsets when used with Lockwood Synergy or Selector mortice locks.

- Velocity Small Rose Series also includes range of escutcheons such as a AS1428.1 compliant turnknob, standard turnknob and privacy indicating emergency turn.
