Construct+[®] Range

The Lockwood Construct+ range is engineered and built for the realities of Australian worksites, especially for builders and trade professionals looking to deliver style to prospective homeowners without stretching the budget.

The Construct+ suite offers a cohesive range of affordable door hardware that delivers contemporary and traditional design without the premium price tag. Construct+ is purpose built for the needs of modern residential projects, combining on-trend aesthetics with performance. It is the ideal choice for affordable residential homes where reliability, consistency and styling matter most. Building confidence is the key focus behind the introduction on Construct+.

The Construct+ range is an entry level contemporary door hardware suite which includes Key in Lever (KNL) locksets, Key in Knob (KNK) locksets, Deadbolts, Flush Pulls and a Door Stop.

The Construct+ locksets are offered in three standard finishes - CP (chrome plate), MBK (matt black) and SC (satin chrome) or SS (satin stainless steel). This entry level range is offered with a 10 year Mechanical Warranty to assure the quality of product performance.

Construct+® Key in Lever Locksets

Lockwood Construct+ Key in Lever (KNL) range is cost effective furniture covering both traditional and contemporary lever styles. The range offers stylish lever designs without a premium price tag.

Each Lever style is offered in Entrance, Passage, Privacy and Dummy sets to complete the whole suite.

Lockwood Construct + KNL range consists of 4 contemporary and 1 traditional lever styles across three finishes being Satin Chrome (**SC**), Chrome Plate (**CP**) and Matt Black (**MBK**).

The Dune Contemporary lever is available in both square and round rose formats.

The Lockwood Construct+ range is covered by a 10 year mechanical warranty.

Keying

Standard Keying

Supplied individually keyed with two keys per lock

Special Keying

Lockwood Construct+ entry level hardware locks can be keyed to limited special keying systems. Keyed to differ (KD) is offered as a standard for all the locks. Other keying systems that these locks can be keyed to are Keyed Alike (KA) and Project Keyed (PK). Please refer to Lockwood Keying catalogue or contact local sales office or customer service for specific information.

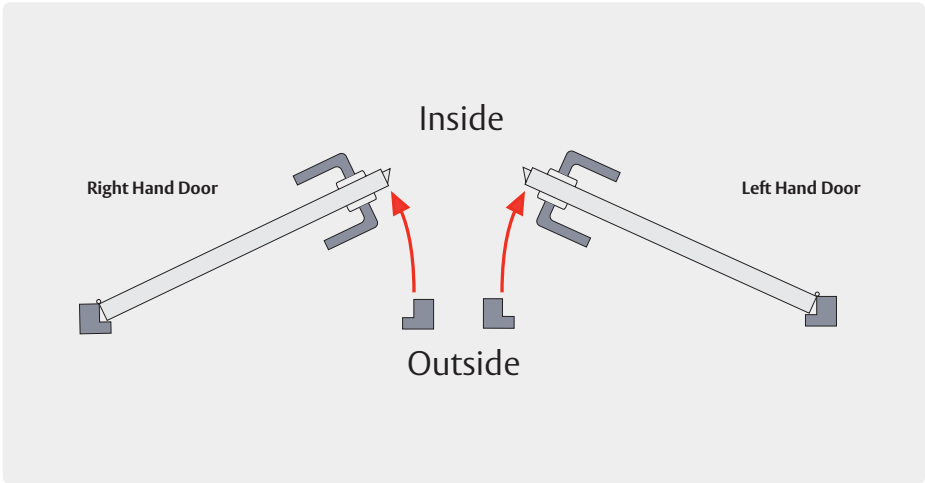

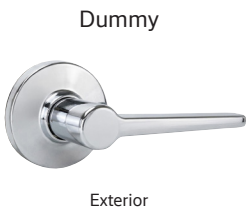

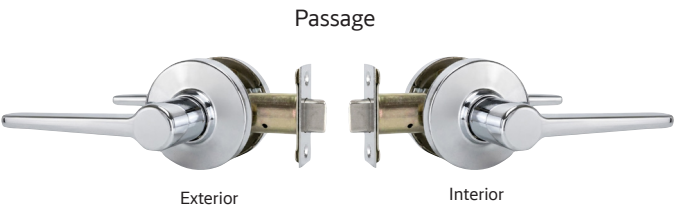

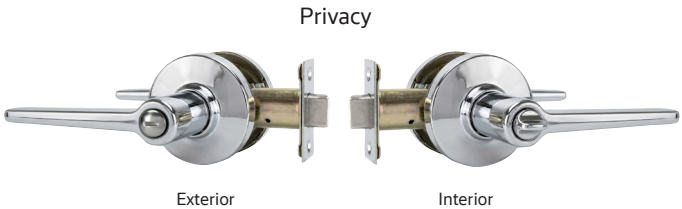

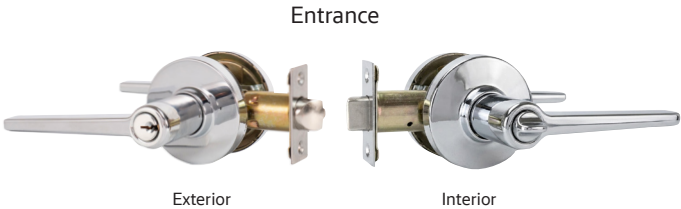

NOTE: Restricted Keying is not offered for this residential range.
