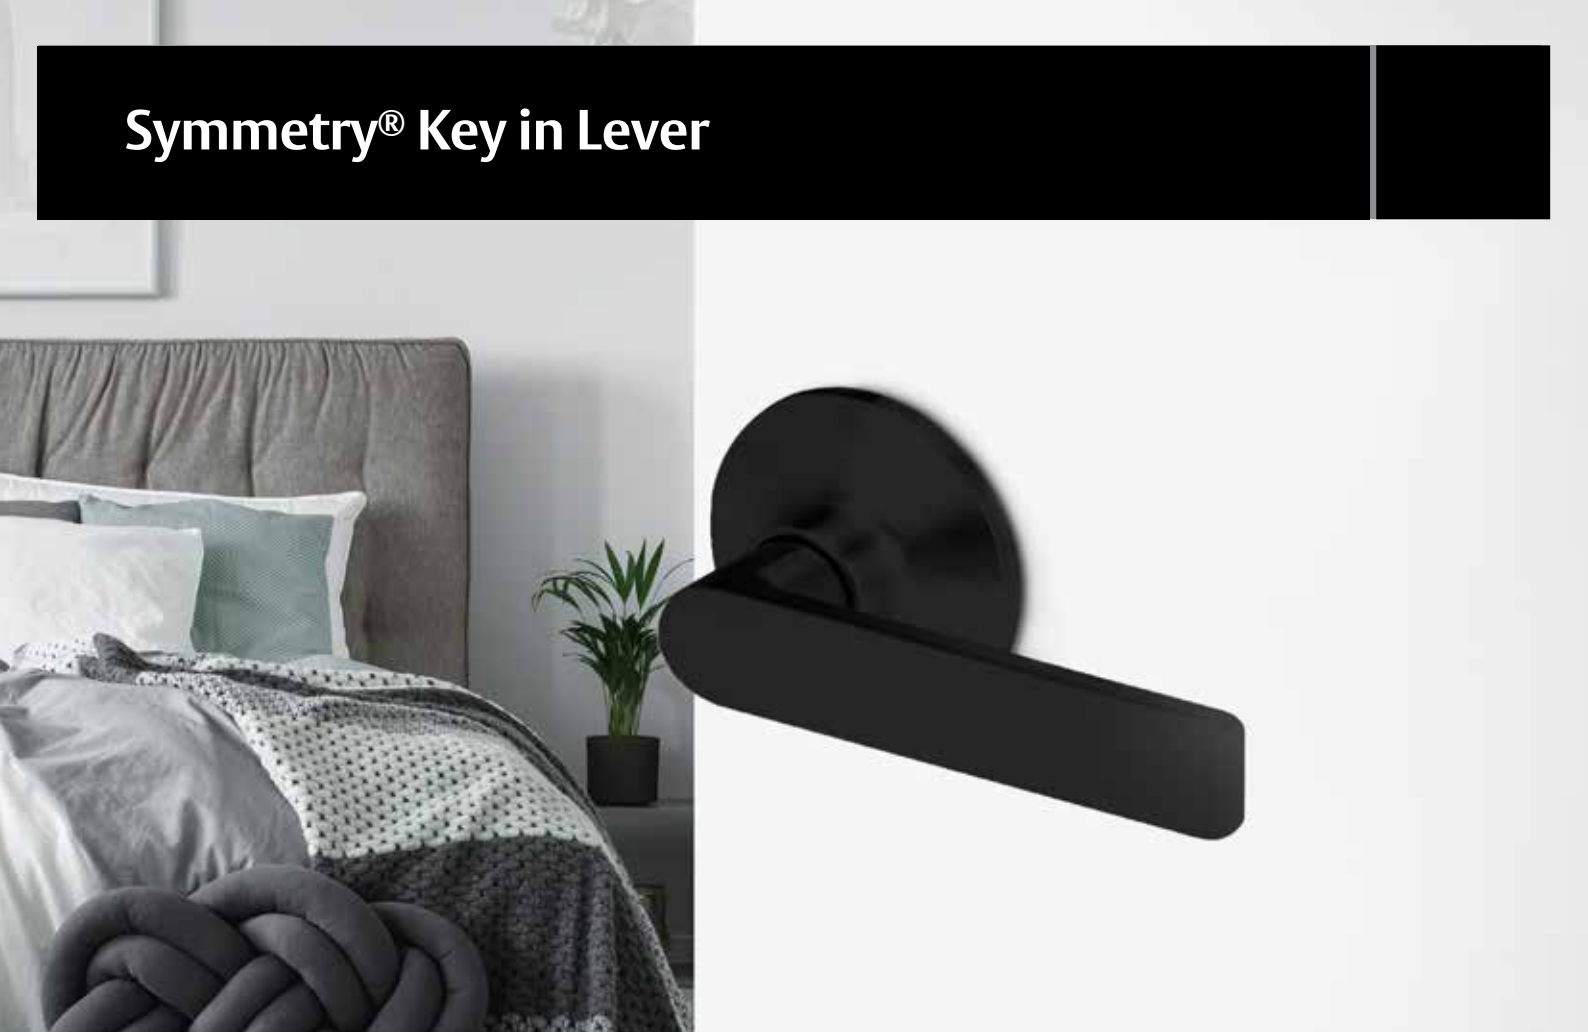
Symmetry® Key in Lever



The Symmetry door handle range offers builders, developers, specifiers and interior designers a wide selection of product that can be used in any residential application

The Symmetry series is produced to meet the demanding quality and style requirements of the Australian market.

All products are tested in accordance with the security and durability requirements of the Australian Standards.

Along with the Lockwood 25 year Mechanical Warranty all Symmetry door furniture is supplied with a 5 year finish Guarantee with the exception of the Everbrass finish which has a 25 year finish Guarantee.

Keying

Standard Keying

- Supplied individually keyed with three keys per lock
- 78,000 key combinations
- Key blank KB401B5P

Restricted Special Keying

Lockwood locks can be keyed to a number of controlled and/or specially keyed systems. These range from legally protected keys to protect against unauthorised duplication, which can also include specially designed key systems such as master key systems, which allow for different levels of mechanical access control. Please refer to Lockwood Keying Catalogue or contact your local sales office or customer service for specific information.
